## DINING COLLECTION

### Large Bowl

The first pottery forms were bowls and they served the functional and ritual needs of daily life. The human connection with this form is unbroken since Eden. Inherent in the functional requirement of the open form is space and surface: infinite space to manipulate and surface to decorate. There is a constant interchange of function and spirit: one constantly giving way to the other. Bowls are also tactile. Bowls feel good because they are in scale with human anatomy: a large bowl fits the arc of the arm; small bowl in the palm of your hand.

Measures 12" in diameter and 7" in height.

Dishwasher and Microwave safe. Lead Free glazes.

Available in 4 colors: White, Royal, Teal and French Blue.

A group of small fish bowls make serving a selection of sauces or toppings into a "school of fish" swimming along the buffet. Small bowl also coordinates with the Pedestal Platter as a chip & dip.

Large: 11" diameter, 5" high

Small: 7" diameter, 3" high

Available in 6 colors: White, Royal Blue, Teal Green, French Blue, Lavender Blue and Butternut.

### Pedestal Platter

This versatile platter is designed for everyday use and is large enough to bring an entire meal to the table in one presentation. We have piled ours with sandwiches and chips for a family lunch or heaped with seafood pasta for an informal dinner with friends.

Beyond the intended functional uses this piece is a beautiful interior accessory. A decorative addition to a coffee table, used by itself, or for floating a few camellias or gardenias.

The platter edge has been altered and textured with organic designs, creating a decorative frame for the presentation of party foods. This form can be wall hung (hole has been provided in the thrown foot flange) creating an *art piece* when not in use.

The Pedestal Platter coordinates well with the Bird Bowl, Fish Bowl & Small Bowl as a chip & dip set.

16" square platter, slab constructed and elevated by a 4" high wheel thrown pedestal.

Dishwasher Safe. Lead Free Glazes.

Available in 2 color designs: White with Royal Blue or White with Teal Green.
